

TDM - How To upload custom fonts

Introduction

With TDM Digital Signage you have the ability to upload your custom fonts. The fonts uploaded into the designer can be used within your template design.

Requirements

If you want to upload custom fonts you need to meet the following requirements:

- Have administrator access to the TDM designer
- Have a .ttf or .otf file available of the font you want to upload

How To upload custom fonts

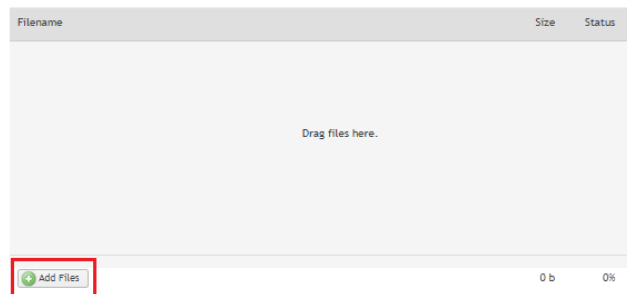

1. Please login to the Designer: <https://designer.tdmsignage.com>
2. Select "Config Panel".

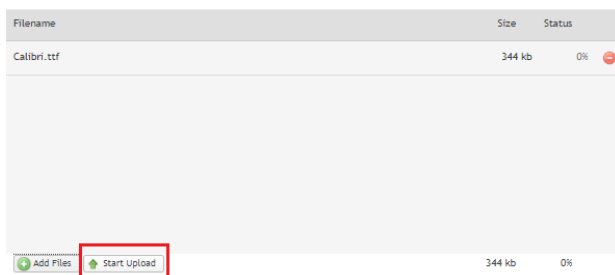

3. Select the tab called "Upload Fonts".

4. Select "Add files" to upload your custom fonts. Make sure to upload a .ttf or .otf file.

5. Once you have selected your fonts select "Start Upload".

6. Once the upload has succeeded refresh the page with the F5 button, the font should now be visible on the page.

Name	Example	.eot	.ttf
Calibri	The quick brown fox jumps over the lazy dog.	✗	✓

7. The font is now ready to use within your template design.
