

TDM5 - How To rename a playlist

# Introduction

TDM5 offers the ability to create your own designs, these designs can be added to a playlist.

A playlist can contain pages but you can also add media from your media library or a playlist. A playlist can be linked to a player, once this has been done the player will display all content linked to the playlist.

# Requirements

If you want to create a playlist you need to meet the following requirements:

- Have access to: Designer > Playlists and be able to edit a playlist.

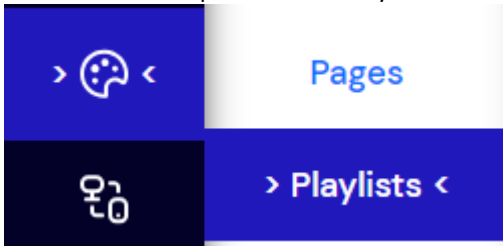

## How To rename a playlist

1. Login to your TDM5 environment.

2. Select “Designer”.

3. Select the menu option called “Playlists”

4. Select ‘Edit’ behind the playlist which you want to rename.

5. Select the ‘Edit’ icon on the right side of the current name.

**New Playlist** 

6. Fill in a new name for your playlist and press enter.

**New Playlist renamed**

Now you have successfully renamed a playlist.
