

TDM5 - How To delete a font

Introduction

TDM5 offers the ability to create your own designs, this can be done using company colours and logo's. TDM5 also offers the ability to upload fonts. With these features you have the ability to create designs based on your corporate identity.

Requirements

If you want to delete a font you need to meet the following requirements:

- Have access to: Designer > Fonts

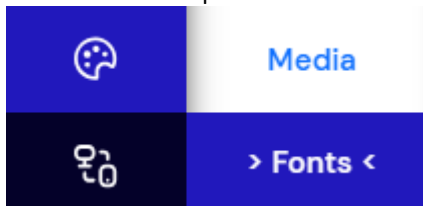

How to delete a font

1. Login to your TDM5 environment.

2. Select “Designer”.

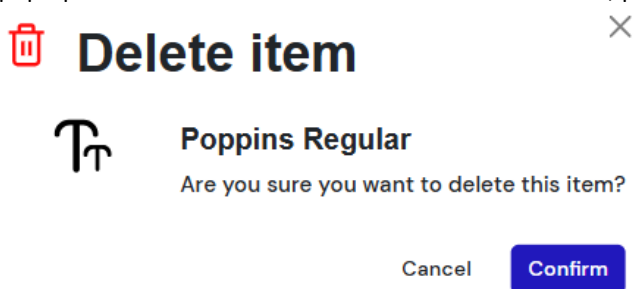

3. Select the menu option called “Fonts”.

4. An overview of all available fonts will be shown. Select the ‘Delete’ button behind a font to delete it.

5. A pop-up will be shown to confirm the removal of the font, press ‘Confirm’ to continue.

Once you have finished this step you have successfully deleted a font from TDM5. It is possible to repeat the steps to remove more fonts.
